

Pure: FABA Protein

A remarkably versatile, naturally bioactive protein source with outstanding nutritional and sensory gains and application diversity.

Nutrient-dense

Allergen-free

Non-GMO

Packed with 60% protein and loaded with naturally occurring amino acids, vitamins, and micronutrients, Pure: FABA Protein Concentrate is an adaptable, nourishing ingredient for food manufacturers seeking to enhance or improve digestible protein content whilst adding a smooth, pleasing consistency and taste to the final product. Dry milled using 90% less power and zero water compared to conventional methods, and using no chemicals, solvents or enzymes, our nutrient-dense protein is non-GMO, gluten-free, and allergen free. It's 100% all-natural plant-protein sustainably grown and sourced direct from local farmers striving to increase soil health, encourage biodiversity, and improve the environmental management of their land.

BENEFITS

- Superior nutritional enrichment and digestive benefits
- Smooth texture with minimal grittiness or separation
- Great emulsifying and stabilising properties
- Naturally rich in iron, fibre and essential amino acids
- Impressive thickening and cohesion properties
- Neutral colour, aroma and flavour - not overpowering
- Soft, clean texture with a pleasant creaminess
- Enhances binding, thickening and protein enrichment

APPEARANCE

- Light off-white colour
- Fine powder texture
- Neutral beany aroma
- Clean earthy taste

APPLICATION

- | | | |
|---------------------|--------------------------|------------------|
| Supplement powders | Muffins | Alternative Meat |
| Beverages | Cereals | Burgers |
| Smoothies | Alternative Dairy | Sausages |
| Meat analogues | Desserts | Nuggets |
| Meat extenders | Dairy alternative drinks | |
| Bakery | Plant-based smoothies | |
| Protein bars | Coffee creamer | |
| Snacks and crackers | Non-dairy cheese | |
| Breads | Yoghurt | |
| Pizza crusts | Ice cream | |

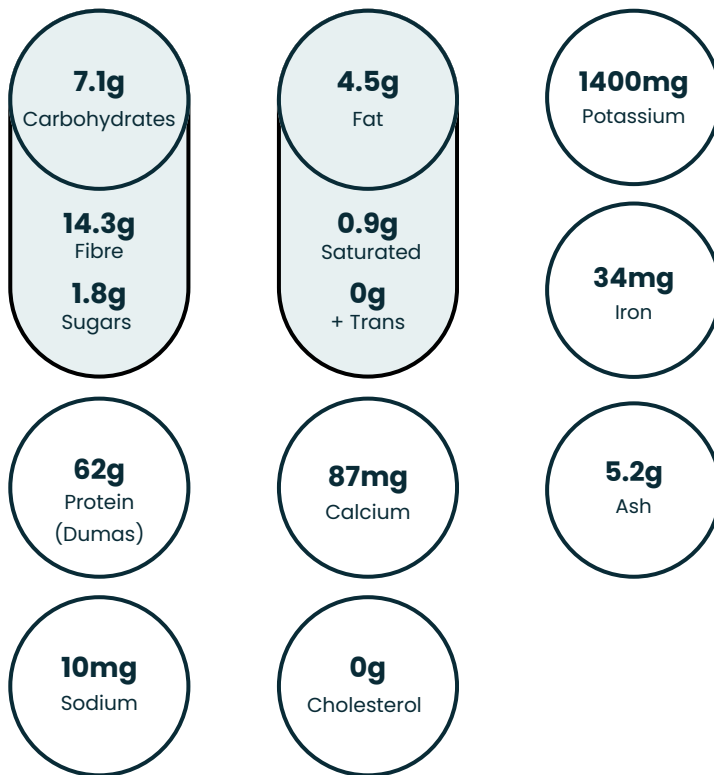

Innovation.
Quality.
Reliability.
